

PROVIDING COMMERCIAL & RESIDENTIAL RECYCLING SERVICES

Fisher Recycling – Grand Strand Curbside residential recycling program

Why choose Fisher Recycling – Curbside Recycling?

- It's recycling made EASY and convenient! No more driving to the recycling center, sorting, and loading in your vehicle.
- All material can be commingled!
- Personalized customer service & training to answer all your recycling questions!

With at least **20 neighborhood households participating** – and an **annual fee of \$130 per household** (i.e. \$10.83 a month), each customer household will receive the following:

- Recycling curbside pick-up every other week (26 weeks per year)
- (2) 22-gallon recycling bins*
- Recyclable materials: plastic (#1 - #7), aluminum, tin, mixed office paper, newspaper, junk mail, paperboard (cereal boxes, 12-pack soda & beer boxes, snack boxes), corrugated cardboard (as long as it is broken down and less than an arm load in size)
- Materials we CANNOT recycle in this pick up: Styrofoam, broken dishes/ceramics, plastic wrap and plastic grocery bags, paint containers, batteries, furniture, appliances, light bulbs.

Selected items CAN be recycled by taking them to the residential recycling center.

Recycling services can be added if homeowners have special events, need

custom or more frequent pick ups: fees range based on amount of containers and frequency of pick up. An estimate of services will be given after a waste audit and site visit is performed.

*(*Please note: If service is discontinued – bins need to be returned to Fisher Recycling.)*
